

ARCHIE'S

FANTASY FOOTBALL LEAGUE

Archie Fantasy Football League

◆ League Introduction

Archie's Fantasy Football League or the AFFL

Our League is more than just a game; it's a community-driven movement that embodies inclusivity, generosity, and the power of shared interests to bring people together. Led by individuals like Ken, who dedicate their time and effort out of love for the game and the desire to create something meaningful, AFFL stands as a testament to the positive impact that sports can have beyond the field.

At its core, AFFL serves as a platform for people from diverse backgrounds and regions across the globe to connect through their shared passion for Fantasy Football. By fostering an environment of camaraderie and mutual support, AFFL not only provides an avenue for friendly competition but also facilitates the formation of genuine friendships that transcend geographical boundaries.

Through his efforts, AFFL becomes not just a league but a beacon of positivity and goodwill, inspiring others to embrace the values of inclusivity and giving back.

◆ League Fees

- The annual league fee is **\$300 CAD**.
- The **final payment deadline** is **the day after the NFL Draft** each season.
- Any member with unpaid fees after this date may be **replaced at the commissioner's discretion**.
- If a member is replaced, **any winnings owed to them** from the prior season will be returned **once their team has been filled**.
- This policy ensures fairness and keeps the league operating smoothly and on time.

◆ Winnings Distribution

- **All winnings** are calculated by the commissioner and **updated weekly** in *Archie's Corner*.
- Any **prize money** that can be used to pay the following season's entry fee will be **withheld automatically** and credited toward next season.
- **Excess winnings** will be **paid out the week following the Super Bowl**.
- This approach helps keep the league community active year-round and allows the commissioner to **invest back into the league during the offseason** to improve the overall experience for all members.

Additional bylaws and updates will be added as the league evolves to ensure the best possible experience for all members. Please contact the commissioner with any questions or suggestions.

Division Format Overview

1. Total Number of Teams: (Specify total, e.g., 24, 36, 48, etc.)
2. Division Size:
 - Each division will consist of 12 teams.
3. Assignment Process:
 - Teams are assigned to divisions randomly via a seasonal draw.
 - This draw occurs before the start of each season.
4. Seasonal Shuffle:
 - Each season, divisions are re-drawn, meaning the composition of each division changes yearly.
 - This ensures variety and fairness across seasons.

◆ Draft Process

- Draft Date: The "Draft" will kick off on the Friday morning of the 3rd week in August.
- Each Divisional Draft will be a Snake Draft (1 - 12 12 - 1), with a 3rd round reversal
- Draft Clock:
 - Maximum time per pick will be reduced from 120 minutes to 90 minutes.
 - The draft clock will pause nightly from 10 PM Eastern to 10 AM Eastern.
 - Draft Order is Random Each Season - The Draft order is determined randomly at the start of each season, which prevents teams from strategizing for specific spot based on past performance.
 - No Trading Draft Spots Before the Draft Date - Teams cannot trade their draft positions before the actual draft takes place.

◆ Divisional and Conference

Here are the tiebreaker rules in the specified order:

1. Overall Winning Percentage: The team with the higher overall winning percentage throughout the season will be ranked higher. This metric reflects the team's success in winning games over the entire season.
2. Total Points Scored: If teams have the same winning percentage, the total points scored by each team over the season will be considered.
3. Head-to-Head Record: If teams remain tied after considering winning percentage and total points scored, their head-to-head record against each other will be evaluated.

The Archie League Prizes

Section [X]: Prize Money

All prize money shall be awarded in Canadian funds.*

*All references to prize money throughout these bylaws refer to Canadian dollars (CAD), unless otherwise stated.

2025 Current Status	BUYINS (in CAD)			PAYOUTS (in CAD)						
	Total Teams	Entry Fee	Total Buyin							Total Payout
	96	x	\$300							\$28,800

◆ Tie Games

In the event of a tie game, both team's standings percentage will be recorded accordingly, and the game will remain a tie. This policy ensures consistency and fairness in determining, and acknowledging that both teams performed equally in the match.

◆ Deadlines

All deadlines will be announced by the Commissioner, ensuring that franchises have ample time to react. Additionally, deadlines will be listed on the league calendar for easy reference. This approach ensures clear communication and transparency regarding important league timelines and requirements.

◆ Scoring & Bylaws

League scoring reports, rules, and information about the scoring system can be accessed through the "League Scoring" section.

The league's by-laws can be found via a link provided on the home page of the league's website. This link will direct members to the official document outlining the rules, regulations, and procedures governing the league's operation and management.

◆ Divisional + Conference Standings

Here are the tiebreaker rules in the specified order:

1. Overall Winning Percentage:
2. Total Points Scored
3. Head-to-Head Record

◆ Scoring System Tweaks

- Strategic Lineup Decisions: Adjustments will be made to the scoring system to create tougher decisions on which positions to start each week, increasing the strategic complexity of lineup building.
- Defence and Special Teams:
 - Scoring will be improved, with teams starting at 0 points and working their way up based on in-game plays and achievements.

◆ What to Expect

These upgrades are designed to:

- Make the league more dynamic and competitive.
- Increase the importance of weekly decision-making.
- Foster a stronger sense of community among managers.
